

PERFECT ENDO CLEAN STAND

The Perfect Endo Clean Stand is constructed of high heat resistant, autoclavable plastic. The Perfect Endo Clean Stand is useful for cleaning, sterilizing, and staging. Each Perfect Endo Clean Stand includes 5 sponges.

ADVANTAGES:

- Designed to hold sterilizing solution
- Files can be dipped in the solution while the gauze wipes them clean
- Autoclavable
- Features a ring that enables a piece of gauze to be secured tightly over the top of the stand
